Resources for College of Engineering Students

Ameritech Engineering Learning Resource Center (AELRC), 647-7120
G264B Lurie Engineering Center

Offers peer-facilitated study groups for core courses. Peer tutors are available on a walk-in or appointment basis. Computer workstations and exam files are available.
http://www.engin.umich.edu/students/support/mepo/ELRC

Engineering Advising Center (EAC), 1009 Lurie Engineering Center 647-7106

Provides academic advising for first-year and undeclared students and counseling for students with personal concerns.
http://www.engin.umich.edu/students/advising

Counseling & Psychological Services (CAPS), 764-8312
3100 Mich. Union; Pierpont Commons Basement

Offers a variety of confidential services, including personal counseling for individuals, couples and groups; consultation, referrals and crisis intervention.
http://www.umich.edu/~caps

Engineering Career Resource Center (ECRC), 230 Chrysler Center 647-7160

Welcomes students seeking full-time, part-time, summer internship and cooperative education employment. Job search, industry, labor market and career guidance information is available.
http://career.engin.umich.edu

Engineering Scholarship Office, 1432 Lurie Engineering Center 647-7113

Offers assistance with scholarships and provides information on need- and merit-based scholarships for engineering students.
http://www.engin.umich.edu/students/current/scholarships

Financial Aid Office, 2011 Student Activities Building 763-6600

The clearinghouse for all University financial aid issues, including application, information and counseling.
http://www.finaid.umich.edu/

International Center, 603 East Madison; Pierpont Commons Basement 936-4180

Offers services for international students, including advising, orientation, visa services and immigration law information. Also focuses on work-, study- and travel-abroad programs.
http://www.umich.edu/~icenter

Lesbian, Gay, Bisexual and Transgender Affairs (LGBTA), 3200 Michigan Union 763-4186

Provides education, information and advocacy for the lesbian, gay, bisexual and transgender community. Offers support, referral and programming services.
http://www.umich.edu/~inqueery

LSA Academic Advising, 1255 Angell Hall 764-0332

Provides academic advising and program information for students interested in pursuing dual-degree programs, LSA minors or transferring to LSA.
http://www.lsa.umich.edu/lsa/students/resources/academics/advising

Math Lab, B860 East Hall 936-0160

Offers free, walk-in tutoring by peers, graduate students and faculty for students in math courses up to 217.
http://www.math.lsa.umich.edu/undergrad/mathlab

Minority Engineering Program Office (MEPO), 1463 Lurie Engineering Center 647-7120

Offers counseling, career placement, academic and success skill-building programs. Dedicated to supporting the College's underrepresented minority students.
http://www.engin.umich.edu/students/support/mepo

Office of Student Conflict Resolution (OSCR), G121 South Quad 936-6308

Administers and implements the Statement of Student Rights and Responsibilities.
http://www.umich.edu/~oscr

Ombuds Office: University, 6015 Fleming — 763-3545

Attempts to resolve student problems with the University of Michigan, upholding student rights while maintaining a commitment to justice and fair treatment of all members of the University community.
http://www.umich.edu/~ombuds

Ombuds Liaison Office: Undergraduate Engineering, 1408 Lurie Engineering Center — 647-7151

Assists students in reconciling personal issues as well as conflicts with the College. Serves as a point of contact in student crisis situations.
http://www.engin.umich.edu/students/support/slas

Physics Help Room, 1416 Randall Lab — 763-2222

Provides walk-in help for introductory physics courses.
http://hep.physics.lsa.umich.edu/helproom

Records, 1401 Lurie Engineering Center — 647-7111

Offers assistance in adding/dropping courses and scheduling rooms; and provides degree information.

Registrar, 1010 LSA or B430 LL Pierpont Commons — 763-7650

Handles course registration, academic records, tuition, fees, residency issues and other records for the University. Sets academic calendar and exam schedule.
http://www.umich.edu/~regoff

Science Learning Center (SLC), 1720 Chemistry Building — 764-9326

Provides free study groups, drop-in office hours, computer labs and other resources for chemistry, biology and physics courses.
http://www.umich.edu/~slc

Services for Students with Disabilities (SSD), G219 Angell Hall — 763-3000

Educates and improves the University for disabled students, helping students overcome disability-related barriers in pursuit of their education.
http://www.umich.edu/~sswd

Sexual Assault Prevention & Awareness Center (SAPAC), 715 N. University — 763-5865

Provides sexual assault crisis intervention, outreach, counseling, advocacy, consultation, training, awareness and prevention for the University of Michigan community.
http://www.umich.edu/~sapac

Student Leadership & Academic Services (SLAS), 1408 Lurie Engineering Center — 647-7155

Mentors and counsels engineering students in developing their academic and personal goals. Provides student organization and leadership consultation. Staffs the Scholastic Standing Committee and processes all petitions. Coordinates the Academic Mentoring Program (AMP) and reBOUND.
http://www.engin.umich.edu/students/support/slas

Student Legal Services (SLS), 2304 Michigan Union — 763-9920

Full-service law office for currently enrolled students. Provides a wide range of services, ranging from landlord-tenant disputes to consumer law to criminal defense.
http://studentlegalservices.dsa.umich.edu

Sweetland Writing Center (SWC), 1139 Angell Hall — 764-0429

Offers several services, including free writing workshops.
http://www.lsa.umich.edu/swc

University Health Service (UHS), 207 Fletcher — 764-8320

Provides medical care to students in a clinic setting. Walk-in services available, but appointments are encouraged. Funded by student fees.
http://www.uhs.umich.edu/

Women in Engineering Office (WiE), 1240 Lurie Engineering Center — 647-7012

Provides an inviting and supportive environment for women at all levels throughout Engineering. Offers scholarship assistance, counseling, career placement, and academic support.
http://www.engin.umich.edu/students/support/wie
