Students should submit your abstracts now!

Both graduate and undergraduate students are also invited to submit a poster, and all posters will be judged by department faculty (and could win up to $1000!).

**Students:** To present a poster, please contact Kate Volk (kevolk@umich.edu) by Friday, March 30th with:
- Poster title
- Brief abstract summarizing your research
- Name of your research advisor

Please include "MGU abstract" in the subject line of your email. Details regarding poster preparations will be made available to you upon receipt of your abstract.

**Questions?** Ethan Hyland (hylande@umich.edu) or Kate Volk (kevolk@umich.edu)

---

Earth and Environmental Sciences (EARTH) and Atmospheric, Oceanic and Space Sciences (AOSS) present the Ninth Annual Michigan Geophysical Union Meeting

MGU is a friendly forum designed to showcase and reward outstanding student research in various aspects of Earth, oceanic, atmospheric, and space sciences, as well as foster interdepartmental dialogue and camaraderie. All faculty, staff, graduate, and undergraduate students are encouraged to attend to learn about the exciting research that is taking place in the UM science community.

**Date:** April 13, 2012  
**Time:** 9:30 AM — 3:30 PM  
**Location:** 2nd Floor of the Clarence Cook Little Building
