

How to declare your Major in Climate & Space

Before you can declare Climate & Space as your majors program, the following requirements must be met:

1. You must have completed at least one full term of courses at the UM Ann Arbor Campus.
2. Have an overall UM GPA of 2.0 or better and be in good standing. **Students on Probation or Enrollment Withheld cannot declare a program.**
3. Have completed (with a C or better) or earned credit by exam or transfer for at least one course in each of the following categories:
 - a. Calculus (e.g. Math 115, 116, 156)
 - b. Calculus based physics lectures (e.g. Physics 140, 160) or chemistry lectures (e.g. Chemistry 130)
 - c. Required engineering courses (Engr. 100, 101, 151)).

If you have met the above requirements, please email a request to declare to Sandee Hicks (sandee@umich.edu) or by telephone 734-764-3282. Your degree audit will be reviewed to confirm your eligibility to declare. You will be asked to set up an appointment to visit our Undergraduate Student Services Office to complete your declaration and discuss a long-term degree plan.
